Objective

Enthusiastic and adaptable candidate looking for a technical position to leverage my analytical thinking, programming knowledge, and ability to learn quickly in a dynamic work environment.

Skills

- **Backend:** Node.js, Express.js, Mongoose.js, JavaScript(ES6)
- **Frontend:** Next.js Framework, React.js, TailwindCss, HTML5, CSS3
- **Database & Cloud:** MongoDB, Vercel
- **API & Tools:** REST API, Postman, Git, GitHub, VS Code
- **AI Assistance:** ChatGPT, CoPilot, Claude AI
- **Soft Skills:** Problem-Solving, Team Collaboration, Communication Skills, Quick Learning

Projects

To-Do List

- Built a secure Todo List REST API web application using React.js, Node.js, Express.js, and MongoDB Atlas with authentication, OTP verification, password recovery, and CRUD functionality.
- Applied secure password handling and validation mechanisms to enhance application security and user data protection.
- Implemented user authentication and authorization workflows including registration, login, forgot password, reset password, and OTP-based verification.
- Managed environment configurations and sensitive credentials securely using environment variables and backend configuration practices.

RailBite - (Food delivery on train seat)

- Developed RailBite, a multi-role food ordering and delivery management system with Consumer, Vendor, and Admin modules using Node.js, Express.js, and MongoDB Atlas.
- Implemented complete CRUD operations, real-time order tracking, and workflow management from order placement to delivery status updates.
- Integrated Train APIs and designed role-based order handling where admins verify orders, vendors manage preparation status, and consumers receive live order updates throughout the delivery process.
- Built secure authentication and authorization mechanisms for different user roles with protected API routes and middleware integration.
- Structured backend architecture following MVC principles to improve code maintainability, scalability, and modular development.

Education

CIMAGE college, Patna, Bihar - B.Sc. (Information Technology)		2022 - 2025
Patliputra university, Patna	65.5%	
+2 Gandhi Smarak HS Dhansoi, Buxar - 12th (PCM)		2021 - 2022
Bihar School Examination Board	78%	

Languages

- **English:** Good communication
- **Hindi:** Native language
